What is Community: (Some statistical report about the population – backwardness – Resources available with our country)

Need for community development: - The volunteers will be encouraged to know about the problems of village/ slums and will be oriented for the schemes which are sponsored by Government Agencies and volunteer organization in the field of community service.

Role of NSS volunteers in community Development  
Group discussion – 1 hr

Presentation of Report of each group (maximum 10 minutes for each group)

- III. Life Skill Education (6 hours)  
Special focus on leadership and communication skill

- IV. NSS Programmes and Activities (2 hours)  
Regular – Special Camping  
Village Adoption

Action Plan at school level – group discussion ( 2 hours)

Documentation of NSS activities

NSS Group leader may be divided and assigned with each task at each school

Group singing and cultural activities

Volunteers must be grouped and assigned with cultural activities in the evening session. Each and every volunteer must be given opportunities for performing any cultural activity at stage.

Finally the cultural activity session may end up with group signing ( eg: - we shall overcome etc or National song)

District Co-ordinators are requested to take necessary step to implement the module by engaging the trained Programme Officers

**PROGRAMME CO-ORDINATOR**
